INTELLIGENT LIGHTING

DARDO 2500 HMI 2500W PRO FOLLOWSPOT

High power follows spot for long distances. The discharge lamp 2500 HMI and the condenser optic give a very high light output. It is supplied complete with color frame, iris diaphragm, mechanical dimmer + black-out, on/off switch, insulated side and rear handles, 2 cooling fans, safety micro-switch, thermo switch and 3 m fireproof supply cable, separate ballast and 2 m ballast cable spigot. A 5 colors + black-out color changer is available as optional. A gobo holder and a professional tripod stand are available on request.
